

Practical Activity 1: “Spending time together is such a hearty experience”

Description of the Practical Activity: The idea is to make a patchwork carpet where parents can sit down and drink a cup of tea together with teachers.

Activities:

1. material classification (textiles, buttons, laces, trimmings,...)
2. creation of many textile pieces by using buttons and buttonholes; later on those pieces will be linked together in order to make a big carpet.

Activity duration:

- A workshop to plan the project and outline the useful steps to make the carpet;
- A final meeting to have a snack altogether.

Title of the activity	“Spending time together is such a hearty experience”
